Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Roadway Improvement and Pedestrian Safety Project – Chestnut Street Corridor in fiscal year 2023. The entity to receive funding for this project is the Borough of Roselle, located at 210 Chestnut St, Roselle, NJ, 07203. The funding would be used for the milling, paving and reconstruction of roadways and pedestrian areas primarily along the Chestnut Street Corridor and connecting streets. Additional pedestrian and traffic improvements include the installation of rumble strips, speed humps, four-way stop signs, a vehicle charging station and pedestrian rapid flashing beacon signs where necessary.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Donald M. Payne, Jr.  
Member of Congress
